NORLUX

Norlux is a premier company in North America specializing in the design and manufacture of custom light emitting diode (LED) lighting solutions. Their 12,000 sq. ft. Carol Stream facility featuring a Class 10,000 cleanroom houses 60+ employees, with 17 degreed engineers tasked with designing and engineering LED lighting components for use in OEM products. Norlux partners with companies in several key markets: aviation, architecture, medical, & industrial lighting. Some of Norlux' core-competencies demonstrated on the tour include a surface-mount technology assembly line, chip-on-board automated assemblies, thermal analysis, driver production lines and various optical testing & inspection capabilities.

A signed NDA is required for the tour. Fill out and bring the attached NDA. If you need to use the NDA from your company, please send the NDA to Norlux (attn. Vicky Gibson) at least a week before the tour.

Restaurant – Prior to the tour, we will meet at Augustino's Rock And Roll Deli for a casual dinner. The restaurant is less than a mile south of Norlux. Come network with others interested in the field of optics.

Upcoming Events: 2/18/12 & 2/25/12 – Engineering Week, IIT. 4/13/11 – STEM Career Expo, Fermilab. Email George Magerl if you are interested in participating in our Educational Outreach Programs. Spring 2011, OSA sponsored guest speaker.

SPECIAL OPPORTUNITY: The family of Dr. Edward Leibhardt is preparing to sell Diffraction Products Inc. (Woodstock IL) and all of its equipment used in the manufacture of high quality diffraction gratings. Dr. Leibhardt (now 92) is a former OSC member. This equipment includes two ruling engines, a complete inventory of master gratings, vacuum deposition for applying coatings and making replica gratings, miscellaneous optical blanks, metrology equipment including spectrographs and an atomic force microscope, metal and woodworking tools, etc. Information on the company is available at <http://www.diffractionproducts.net>. Interested parties should contact his son-in-law, William Wester, at thewesters@sbcglobal.net, or at 630-917-7604.

Confidential Information Agreement

In consideration of Norlux permitting me to access its plant, I will refrain from disclosing to anyone information that I may receive or obtain during any visit or workings pertaining to the design, manufacture, or use of their products and any other products manufactured by Norlux unless I am specifically authorized by Norlux management to make disclosures to others.

This obligation shall not apply to any information which is already in my possession or in the possession of my employer of which my employer or I may lawfully obtain from sources independent of Norlux or which is now or hereafter becomes generally available to the public.

I have read the above and agree to the same.
